

Cinema Center 3
401 Newark Shopping Center
Newark, DE 19711

I give my child, _____, permission to attend the Rocky Horror Picture Show at the Newark Cinema Center. I understand that, in addition to viewing the film, my child will witness a show by the Formal Dress Optional Cast which includes, but is not limited to: foul language, simulation of sexual acts, and people running around in their underwear. I am aware that audience members may also participate in the show by yelling at the screen, the cast, and other audience members; and by throwing approved props at other audience members. My child has my permission to participate in these standard audience activities.

Adult members of the audience are sometimes asked to participate in additional activities which may include foul language, risqué behavior, and general degradation. I am aware that my child will witness such performances, and that, while still a minor, my child will never be asked to engage in these adult activities.

I understand that this permission slip is valid for every performance of the Rocky Horror Picture show until my child turns eighteen or until I contact the theater manager requesting its revocation.
